

Newsletter

March 2022

Dear Parents and Carers,

I hope you are all doing well and keeping safe.

At last, Spring is just around the corner, the days are getting longer and warmer. Soon the hot summer sun will show its face 😊

Is COVID Ending?

It has now been announced that isolation is not legally required. Whilst this is great news, we still want to be cautious. If your child is ill, they will still be expected to stay home as with any other contagious illness. We will now be reverting to our standard sickness policy, which for your reference I have attached to this month's newsletter. Whilst the end is possibly in sight, we still need to remain vigilant and use common sense.

Welcome to Amber

Following our announcement last month, we are proud to welcome Amber to Wild Monkeys. Amber has always wanted to work with children and has previously helped with caring for the children of friends and family. She is really enjoying her journey so far following a baptism by fire during her first few days. Amber is very creative which is perfect for all the arts and crafts your little ones do. Please join us in welcoming Amber to the setting and make sure to say hello when you see her.

Red Nose Day

Friday 18th March is Red Nose Day, and as in previous years Wild Monkeys will be taking part. We will have a collection plate at the front door for any donations and will have lots of fun activities for the children.

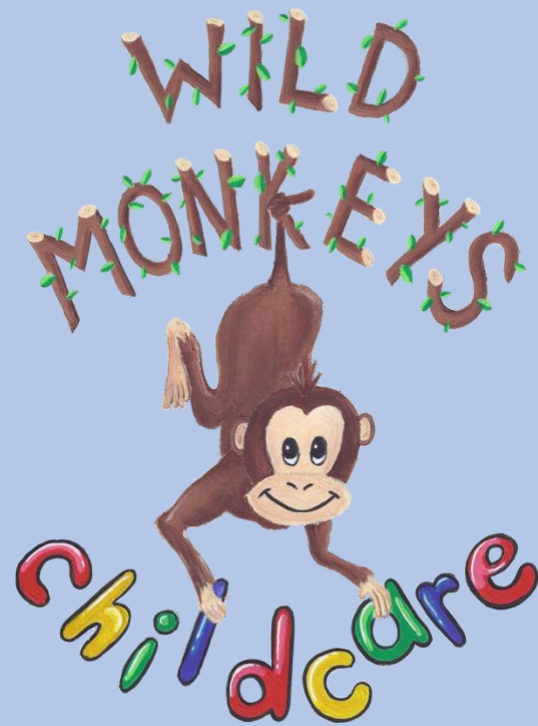

Thanks

Simon and the team (Operations Manager)

Friendly Reminder

Please remember to pack spare clothes in your child's bag to ensure that if any accidents happen, we are prepared. Also, if we have lent you any, please remember to return these.

Staff Spotlight

Becky – Toddler Room & Safeguarding Lead

Becky is a former parent of the Nursery and since 2016 has played a vital role at Wild Monkeys.

Previously one of our Deputy Managers, Becky decided to step down to take a more active role with the children and further her knowledge to become our Safeguarding Lead.

2nd May 2022
2nd June 2022
3rd June 2022
29th August 2022
26th December 2022
27th December 2022

Sunday 27th March is Mother's Day, the day of the year where we each get to thank and pamper our mums.

Now with COVID restrictions being lifted, this year feels like it should be extra special as many of us have missed it in previous years.

Why not make this year extra special and treat your mum to something special? Flowers, a pamper day or even simply let her put her feet up while you do all the chores and cooking.

However, you chose to thank your mum this year make sure she understands how much she means.

Happy Mother's Day from all at Wild Monkeys.

The Travelling Monkey

Starting in March the Travelling Monkey will be coming to the nursery.

Every two weeks 3 lucky children will get to take our Monkeys home. They will come in a bag with a book and notepad for you to document your activities.

The aim of this is to promote skills such as speech and sharing. All the staff at Wild Monkeys can't wait to see what adventures they get up to.

Do you need extra uniform? Or want to change your hours?

If you do, please email us on wildmonkeysinvoicing@gmail.com
